## Making Easter extra special

*Discover the artistry behind your Bettys Easter treats.*

Our Craft Bakery is the home of patience, skill and attention to detail – the values of our chocolatier founder, Frederick, which live on more than a century later.

Creating our Easter eggs begins with tempering, ensuring our luxurious Swiss chocolate – made from rare Criollo cocoa beans – achieves a perfect shine and satisfying ‘snap’. This year, our chocolatiers are introducing the Golden Blonde Chocolate Easter Egg, whose caramel-scented chocolate is lightly caramelised to offer dreamy toffee notes. You’ll also find heavenly combinations of flavour and texture in our Orange Crisp Milk

Chocolate Easter Egg, and our Honey & Walnut Milk Chocolate Flat Easter Egg.

Once the chocolate sets, our chocolatiers and cake decorators call upon their artistic skills. It takes the steadiest of hands to depict the riot of crocuses, pansies and other joyous blooms on our Spring Flowers Milk Chocolate Easter Egg, all hand-crafted from sugar or piped in royal icing.

As you unwrap your Bettys treats this Easter, take a moment to appreciate each delicate flower, icing flourish or piece of glossy chocolate perfected by our Craft Bakery team. Then go ahead and enjoy every bite.
