We have been making Celebration Cakes for nearly 100 years and pride ourselves on a strong sense of tradition, the high quality of the ingredients we use, and our meticulous attention to detail. The specialist skills of our craft-trained confectioners have been handed down the generations since the day of our founder, Frederick Belmont, a Swiss confectioner came to England in 1919.

Our Personalised Fondant Fancy Party Cakes come with the following ribbon colour options:

# OUR RECIPES

Bettys cakes are made to our Celebration Fruit Cake recipe with muscovado sugar, wheat flour, butter and almonds. Each cake contains naturally coloured glacé cherries, raisins, sultanas, currants and orange and lemon peel, all steeped in sherry and lemon juice. Black treacle, cinnamon and mixed spices add to the rich, traditional flavour of the cake. The cakes are then brushed with sherry and matured for three months, allowing the delicious flavours and moist texture to develop.

For those who prefer a lighter cake, the top tiers can be made of plain or chocolate Genoese sponge.

Our cakes are covered with a layer of finest quality marzipan and are then iced with either soft sugar paste or traditional royal icing.
